Evangelistic Opportunities - update

Schools

By the first week in July all the Bibles that were requested will the Lord willing have been delivered / presented. Please pray that the Bibles would be read and that the Holy Spirit may apply these words of truth to these young lives.

Children's Work

It has been a prayerful burden of the membership of the church to recommence a Sunday School. We are at the very early stages of considering this, but it was agreed at the recent Church Members Meeting to have additional prayer meetings to seek the Lord regarding this matter. If this is something which you would like to be a part of in any capacity then please speak to the Pastor.

Market Stall

We have been granted permission to have a stand in the Shambles Market in Devizes on a Friday once a month. These have been booked for the first Friday of the month starting in September. We would have free literature and Bibles to be available to people. It would also be manned to hopefully engage in conversation with shoppers that pass through. Any volunteers for this venture would be appreciated.

Calendars

We have put in an order with the Trinitarian Bible Society to have more calendars printed with the church details for this year the Lord willing. Please be thinking and praying where and to whom you may be able to give some of these calendars.

Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.
