One hour after death!

One hour after death, WHERE shall I be?

One hour after death, WHAT shall I be?

One hour after death, How shall I be EMPLOYED?

One hour after death, What will be my FEELINGS?

One hour after death, How shall I THINK?

How differently we shall think of money, pleasure, the indulgence of our lusts, all that we now call great, grand, and desirable — one hour after death! Let us endeavour to think now — as it is probable we shall think then!

Let us place ourselves in Heaven — and try to think there!

Let us place ourselves in Hell — and try to think there!

How different will things then appear!
